**Q11 - What were the best aspects of this course? Please explain why.**

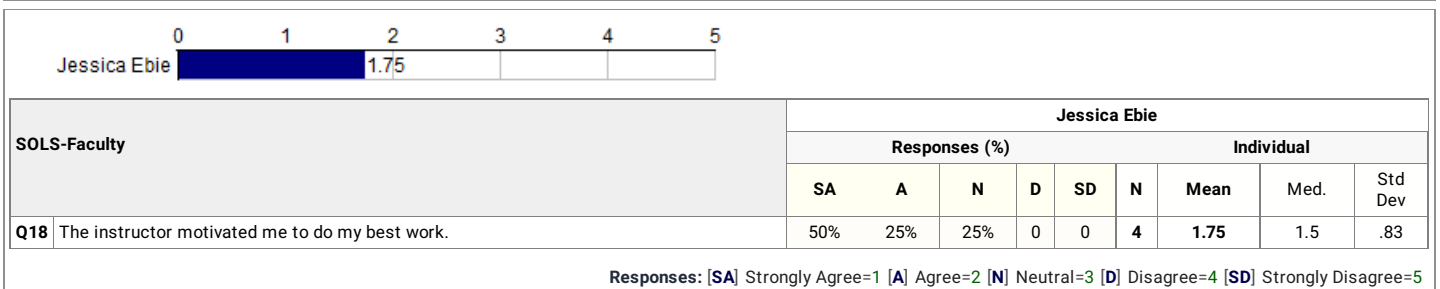

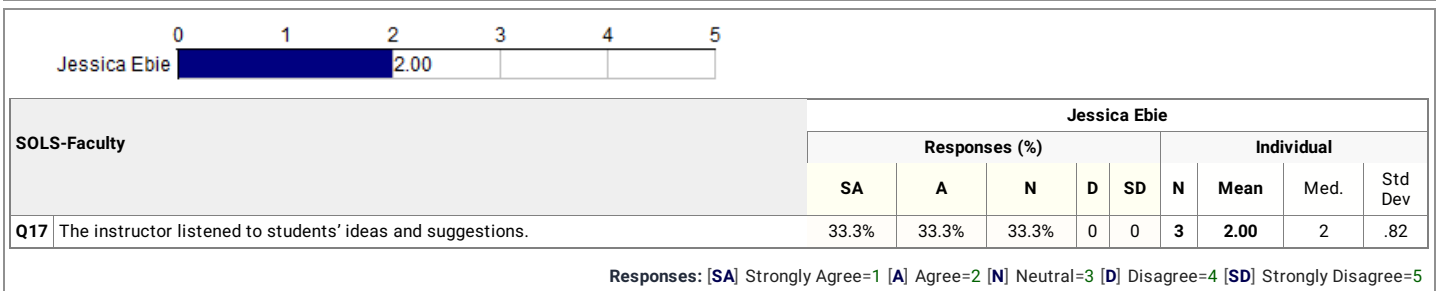

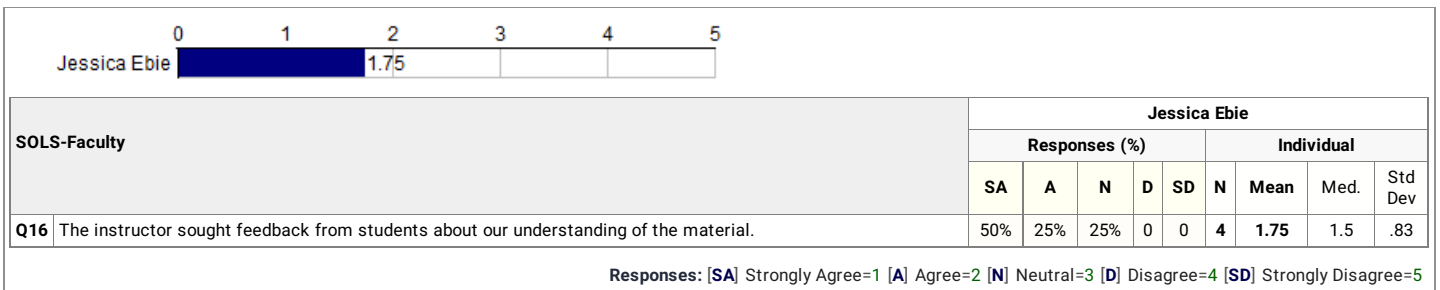

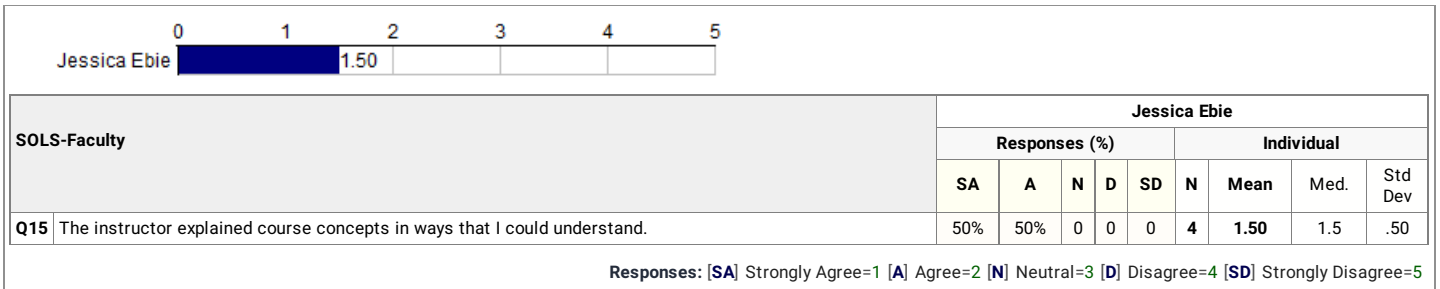

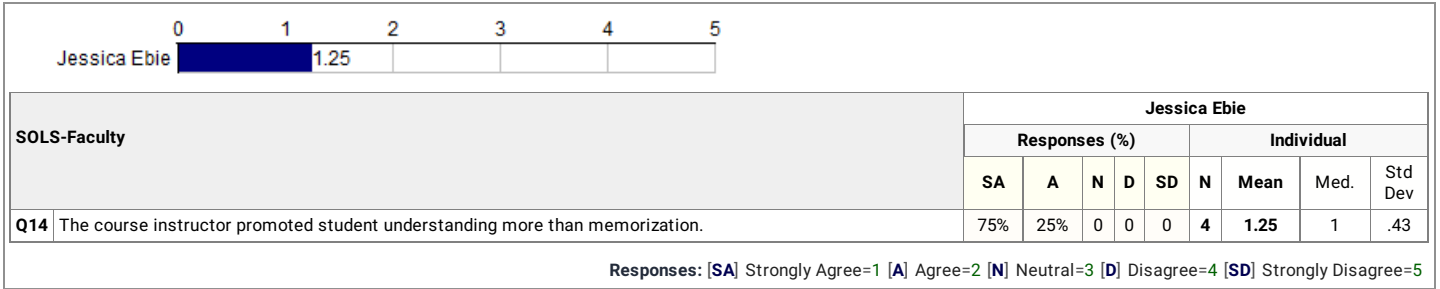

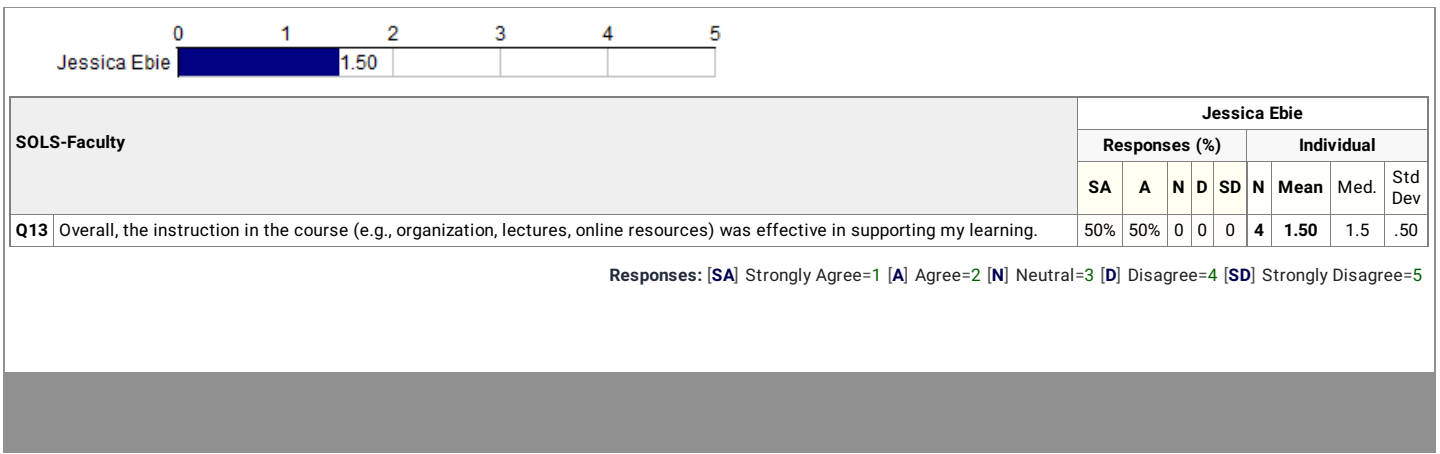

Response Rate: 75.00% (3 of 4)

1	the best aspect was how easy it was to find things and It went smooth no problems
2	The lab archives website were an interesting way to complete our labs. It has an easy layout and was a great tool.
3	The best aspects were definitely the easy-to-follow lectures. Jessie made the content easy to understand and gave us enough practice to feel prepared for the test. None of the worked seemed unnecessary for learning.

**Q12 - What aspects of this course could be improved? Please explain why.**

Response Rate: 75.00% (3 of 4)

1	none that I can recall
2	It would be helpful to have had a complete time line of the assignments due. This could be provided in the syllabus.
3	I think that having an online course through Canvas is pretty easy to navigate, so I don't have any other recommendations.

2	Jessie was the best instructor! I haven't taken an iCourse before, so I was a little confused, but she and Mengdi helped me a lot! Additionally, I got really sick during one of the weeks this summer and Jessie was very understanding and worked with me to stay on track and be as successful as possible.
